Part IV Supplemental Information. Provide the information required in Part I, line 2; Part III, column (b); and any other additional information.

Schedule I, Part I, Line 1 - The organization completed Part IV as required listing organizations that received support. The purpose of each grants is included, when organizations received more than one grant the multiple purposes are divided by a semicolon in the response. Abbreviations are used through the "Purpose of Grant" section in the interest of space. Common abbreviations used are listed below: CI=Community Investment; CCS=Complete Charitable Solutions; Corporate Social Responsibility; STL=St. Louis Division; SWID=Southwest Illinois Division; TCAD=Tri-Cities Illinois Division; TPP=3rd Party Processed.

Schedule I, Part I, Line 2 - Approximately 50 dedicated community volunteers familiar with community needs are members of the United Way Community Investment Committee (CIC). Leadership from this committee are members of the Board and report committee activities directly to the Board. Other CIC members serve as panel chairs and oversee approximately 350 other volunteers who visit each United Way member agency annually. Agencies adhere to Quality Standards developed by the volunteers and submit reports, at least annually, about their programs, governance, finance and administration to the volunteers. Program information includes description, goals, measurement tools, outcomes, and analysis of results. Panels review agencies based on all the core competencies from the Quality Standards. As a group using guidelines they developed, these volunteers allocate to member agencies. The CIC also oversees one-time funding reviewing grant requests and determining what to fund with dollars available. United Way employees provide appropriate staffing to support the entire process. Direct assistance is provided to individuals in a variety of ways. The vast majority of such assistance is provided through the 100 Neediest Cases program, through the United Way energy assistance program (including the Ameren Missouri Dollar More and Laclede Gas Dollar Help programs) and through the federal Individual Development Accounts program. In all cases above participating agencies (about 100 of them between all three programs) qualify their clients and submit requests for assistance to the United Way. For 100 Neediest Cases, United Way volunteers review the cases and make allocations. Anonymous cases are sent to individuals to adopt and to provide further assistance. For energy assistance, allocations are made to agencies who then allocate them to clients following their own internal guidelines that have been preapproved by United Way. United Way then pays utilities for all assistance granted on behalf of individuals in that program. IDAs participants are case managed by participating agencies. United Way pays various vendors who help individuals in this asset accumulation anti-poverty program. A smaller amount of direct assistance is provided by United Way staff members for individuals who request help. Assistance is generally limited to \$300 and most often paid to landlords, mortgage companies and utilities.
