Every year I'm amazed at the generosity and dedication of [company name] employees.

This year, we rallied together to meet a common goal, and that goal is not just about a number – it's about helping people in our community.

Your gifts to United Way are going to strengthen and improve the lives of a child who was diagnosed with a chronic health condition, a family who lost their home in a natural disaster, medication for a senior, and many others.

It's remarkable what we can do for our community when we come together to support a common goal.

Thank you for your support and generosity, [employee first name]. It truly means so much.

Sincerely,
