

## HOW TO SUPPORT UNITED WAY'S RESPONSE EFFORTS

Every year, we are so proud of how your employees come together to fundraise for our community through United Way. Because of you, United Way has been able to support a strong network of nonprofits in our region.

These nonprofits are focused on providing services for aging, basic needs, child care, individuals with disabilities, food insecurity, and mental and behavioral health, and these organizations could use a little more support to help get them through this crisis.

### UNITED WAY OF GREATER ST. LOUIS' COVID-19 RESPONSE

United Way's [COVID-19 Response Effort](#) is directly supporting local organizations on the front lines of helping our neighbors in need impacted by COVID-19.

If you are able, please consider [making a gift](#) to help those in our community. Every dollar raised will be placed right back into our community.

If you are unable to commit to a financial gift, [consider giving your time through volunteering](#).

Helping people.
