Subject: Make Your United Way Gift Today

Hi <First Name>,

Katie and her husband weren't sure what the future held for their twins, Graham and Jack, who were born prematurely. Both boys experienced cognitive delays and Graham required surgery for his physical disabilities. Not knowing where to turn and in the middle of the pandemic, Katie reached out to a United Way safety net agency, United Services for Children, for help.

Through therapy and early intervention programs, the agency provided the twins with new developmental activities and educational advancement strategies to help with their cognitive and communication skills. After nearly a year, Graham and Jack graduated from the program with the confidence to start preschool.

United Services for Children is just one of the more than 160 nonprofits in our region that receive vital funding from United Way of Greater St. Louis. Together, these nonprofits make up a safety net that addresses our community's many diverse needs and have an impact on so many of our neighbors, like Graham and Jack.

Hi <First Name>,

Today marks the start of our company's **2022 United Way campaign** a community effort we are proud to support each year.

Hi <First Name>,

Today we are extending our United Way of Greater St. Louis campaign. We believe in the power of collaboration and that we can go even further together with your support! Through United Way, together, we can make our region stronger, healthier, and safer for all, like Mr. C.

Mr. C had a long career in education, helping mentor and teach youth in the St. Louis region. As he started to get older, Mr. C experienced limited mobility and required a wheelchair to move around. Fortunately, a United Way-supported program equipped his home with grab bars and other safety features to reduce the risk of falling, enabling Mr. C to continue living independently in the house he called home for 25 years.

Because United Way supports a safety net of local nonprofits that address so many needs in our community, it promotes the overall health of our region. **By making a gift to United Way, you can be a part of our efforts to build a bright future for neighbors like Mr. C and the entire St. Louis community.**
